

Name of the play: Tableplay LADDER

Pruporse for the play: With this game you can practice grammatical norms: you can mamorize and use them easily. The main goal of this game is to develop your social competence

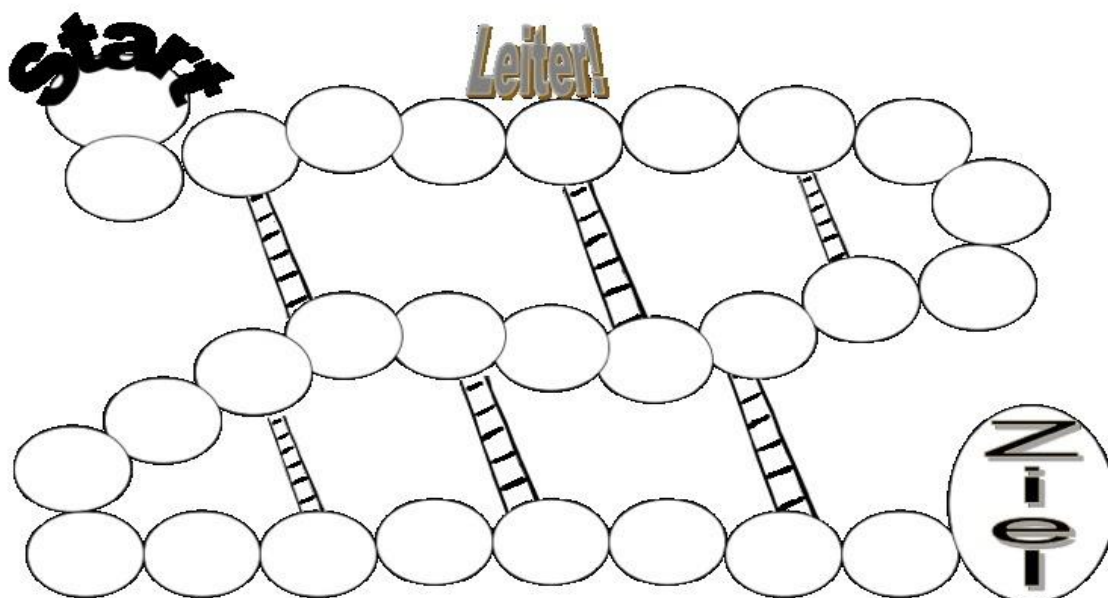

Age group:15-17 years olds

Number of players: Group per 5 persons

Duration of the game:30 minutes

Required material:cube, schema to play, pawns

Making the game:

Game running: The students form groups of 5 people. A kid is the judge and has grids with the systems of grammars of the verbs in it, the substantive and the adjectiv. This student controls the sentence of the others, whether they are correct or not. The rules are typical for a board game. The students form sentences and use the verb, substantive or the adjective written on the field. The winner is the first getting in the final.
