Denmark

1.) Got to *Amalienborg* at the coordinates

55° 41‘ 02,60‘‘ N, 12° 35‘35,63‘‘ E

Use the *Street View Function*. This is, where the Danish queen lives, when she is in Copenhagen. In *Street View* modus you can walk around the big place. You will see tour guides with a red umbrella . How many of them will you find around the statue in the middle?

◯ two - E

◯ three - D

◯ five - Ä

2.) You stay in Copenhagen and you go to

55°40‘48,37‘‘ N, 12° 35‘ 01,67‘‘ E.

Use *Street View* modus. You will see a museum with a wax figure in front. Who ist he figur?

◯ the danish queen - Z

◯ the tallest man on earth - N

◯ Michael Jackson - H

3.) Copenhagen ist he capitol and the biggest city in Denmark. There are many more interesting places beyond the two you saw. Still you move on to the northern tip of Denmark. You move to *Skagen*. Go tot he coordinates

57°43‘44,23‘‘ N, 10°31‘ 17,02‘‘ E

Here you will find a small parking lot. If you look around, you will see many things typical for Denmark: the view of the sea, typical Danish cottages, a sky full of clouds and a kiosk. You will also see some chairs to sit down and look upon the sea.

Which sea would you look at, if you sat on those chairs?

◯ Northsea - I

◯ Baltic Sea - F

4.) If you travel south to

55°37‘37,10‘‘ N, 8°07‘03,18‘‘ E

you will find another typical danish scenery and even good weather. What do you see here right on the beach?

◯ boats - B

◯ houses - O

◯ cars - R

5.) We take you to our hometown nor, to Apenrade. Apenrade is in the south of Denmark. Go to

55° 02‘ 38,87‘‘ N, 9° 25‘ 04,13‘‘ E

What can you see here?

◯ the town counsel - D

◯ our school - K

◯ Nikolai Church - G

6.) In Apenrade you can see many narrow streets and old houses. Go to

55° 02‘ 41,62‘‘ N, 9° 25‘ 00,42‘‘ E

And look around. That is, what it looks like in Apenrade. Find the house with the number one. Which colour does it have?

◯ yellow - V

◯ blue - G

◯ white - C

7.) Apenrade is close tot he sea. Go to

55° 01’ 22,85‘‘ N, 9° 25‘ 46,67‘‘ E.

Here you can see the Baltic Sea. There is also a street sign. Where do you go to, if you turn left??

◯ Ribe - M

◯ Flensburg - A

◯ tot he harbour - K

8.) We would like to show you our school. You find it at

55° 02‘ 46,09‘‘ N, 9° 24‘ 37,07‘‘.

Look into the direction northwest. Unfortunately you do not see our school very well, because it is hidden behind the trees. Turn around until you look to southeast. What do you see on the parking lot?

◯ a caterpillar - LL

◯ a bike - ch

◯ a motorbike - sh

9.) Finally, we want to take you tot he border to Germany. Go to

54° 50‘ 22,50‘‘ N, 9° 24‘ 15,41‘‘.

If you look northwest, you look to Denmark. If you look southeast, you look to Germany

Look towards Germany. What do you see on the street?

◯ a bicycle - A

◯ a car with a camping trailer - t

◯ a car with a boat on a trailer – I
