

Name of the game: “I’m going to the beach”

Game goal: learning to speak fluently

Age group: 15 – 17 years

Number of players: groups of 7 people each

Duration of the game: 10 minutes

Materials required: This exercise can be performed spontaneously and without any preparations beforehand.

This is how the game goes: That’s a chain exercise, which trains speed and fluency. The word or sentence should be said quickly, so that a meaningful text could be formed. The first kid says a word like this: I’m taking my glasses with me. The second repeats it and add their own: I’m taking my glasses and sun milk with me. The group should have up to 7 students.
