

Game: My Business-Card....

Aim: activate and apply experience/knowledge to guess and name celebrities and famous people

Age group: 15- to 17-year-olds

Number of players: the whole class or in pairs

Duration: 10 minutes

Material: file cards with names of celebrities and famous people

Description of the game: You stick a file card on each student's back. All students browse through the classroom and ask their partner yes-/no-questions, such as: Am I female? Am I an author? Do I work as a politician? Within ten minutes students have to find out who they are without looking at their file card.
