

Game: Syllable anagram or letter anagram

Goal: activating and applying previous knowledge

Age: 15 to 17-year-olds

Duration: 5 minutes

Necessary material: work sheets

Game setting:

Connect the following syllables in order to find the names of historical people. The sentences below will help you to find the correct words.

1. The most famous Bulgarian Tsar who ruled a vast land in the 10th century.
2. The so-called “iron chancellor” who united Germany.
3. The second English queen was...
4. Polish king who helped a lot during the second siege of Vienna.
5. Fighter for the Italian unification in the 19th century.
6. The first US president.
7. Roman ruler, dictator, whose most famous phrase was “et tu, Brute?”
8. English king who ruled 500 years ago.
9. Emperor of the Holy Roman Empire in the 12th century, literally called “Red Beard”.
10. The most famous woman in Austrian and Habsburgian history.

Course of the game: Give one sheet to the learners. They have one minute to say the names of the historical persons.
