

Name of the game: Bingo of numbers

Game goal: practicing and cementing the numbers

Age group: 15 – 17 years

Number of players: everyone works on their own

Duration of the game: 7 minutes

Materials required: slips of paper with numbers on them

Production of the game: A lot of copies of the same bingo piece of paper should be made.

B	I	N	G	O
52	22	64	23	9
20	35	19	66	65
19	13	LEER	21	41
63	75	70	40	13
70	44	75	16	17

This is how the game goes: The students mark the numbers they hear. The winner should have marked all the numbers that the teacher has read out loud. During the course of the game the tempo can rise slowly to a normal speaking tempo, to which the students can gradually adapt.
